

- **Who is Pack Up + Go?**
 - Founded in 2016, Pack Up + Go was created to help travelers explore the US with spontaneity and ease. We plan curated vacations around the US. The catch? The destination is a surprise until the day you depart! With more than 300 destinations and 30,000 travelers over the last 6 years, we know that every destination has amazing things to do, see, and experience. All you have to do is be ready for adventure.
- **How does it work?**
 - Step 1**
 - *Answer a few quick questions about your interests and travel history on the Pack Up + Go Pre-Trip Survey.*
 - Step 2**
 - *Our Travel Planning Team will book your travel + accommodations to a destination in the United States based on your interests, travel history, and the prize trip budget from Southern Comfort.*
 - Step 3**
 - *A week before your departure, you receive an email with a weather forecast, a suggested packing list, and where to go + when to help you prepare for departure.*
 - Step 4**
 - *A few days before you depart, you will receive the Surprise Trip Envelope that includes all the information for your getaway in the mail, which you do NOT open just yet.*
 - Step 5**
 - *On the day of departure, open your envelope, and Pack Up + Go!*
- **Where would you send me?**
 - We have a special Outdoors Road Trip planned for you. On average, transit times are 3-6 hours. If you have specific time or travel restrictions for your trip, please let us know on the Pre-Trip Survey! All of our destinations have more than enough going on to keep you busy for the length of your trip.
- **What if I know where I want to go?**
 - **As a winner of Southern Comfort's Great Outdoor Getaway Giveaway, you'll be sent to a Surprise Pack Up + Go Destination. Not to worry - your Surprise Trip will be tailored to your interests and travel history. Your accommodation will be booked, road trip directions (with pit-stops along the way!) will be made, and curated recommendations will be included so that you can just focus on having fun.**
